The diagram illustrates a staircase layout with the following components and labels:

- 0° DOOR**: Located at the top left of the staircase.
- HEADROOM (mm)**: Indicated by a vertical dimension line at the top of the staircase.
- 180° DOOR**: Located at the top right of the staircase.
- LANDING SEQUENCE**: A vertical column of boxes on the right side of the staircase.
- LEVELS**: A vertical column of boxes on the far right, numbered 1 to 10.
- Distances between floors (mm)**: Indicated by a vertical dimension line at the bottom of the staircase.
- PIT (mm)**: A box at the bottom right of the staircase.
